PRIZES GIVEN
AT ANDALUSIA
CO-OP MEETING

Andalusia, N. C. Wheeler, Andalusia, Rt. 4, was the lucky winner of the big electric range awarded as the major attendance prize during the annual members meeting of the Covington Electric Cooperative on August 1.

The shiny new electric range will replace a wood stove. Winners of the 32 other prizes awarded during the meeting were as follows:

Electric Mixers—C. M. Teel, Kinston; G. W. Stroud, Andalusia; Frank Siegel, Palo and Mary Granham of Red Level.

Electric Ice Cream Freezers—J. S. Smith, Elba; and W. F. Mitchell of Red Level; Electric Blankets—Roy Lee Spivey, Red Level and Jim Odom also of Red Level.

Electric Frypans—W. L. Newby, Andalusia; Hughie R. Tomberlin, Opp; Albert A. Apelin, Andalusia; Reese Kelley, Red Level; H. D. Windham, Elba; and Coldwater Church, Andalusia.

Electric Griddle—Bob Gantt, Andalusia; Electric Saucepans—Alice Miller, Wing; Jim Berry, Opp; W. W. Davis, Elba; R. L. Mathews, Opp; Robert L. Bullock, Andalusia; and G. G. Monk, Red Level.

Electric Can Opener—Alton Jones, Andalusia; Electric Iron, J. A. Johnson Jr., Elba; Willie Cottle, Andalusia; and A. T. Morrow, Andalusia.

Electric Heating Pad—W. R. Hartin, Red Level; Electric Door Chimes—V. W. Madril, Andalusia; Electric Clock—Dorman Etheridge, Dodder; B. Tomerlin—Bill Lunsford, Dodder; Sportman's Lamp—C. F. Shreve, Dodder; Case of Motor Oil—Jessie Taylor, Red Level.

SPARKMAN HITS
ARMY AND NAVY
WASTE IN CASH

The nation's taxpayers themselves would demand a change in military purchasing methods "if the public were fully informed on the wasteful, non-competitive contracting practices of the Department of Defense," Senator John Sparkman (D., Ala.), stated in a Senate speech.

"The Department of Defense has become a prime factor in contributing to inflation," Senator Sparkman declared. "By its failure to apply sound economic principles and by its seeming indifference to the value of money, the Department of Defense has contributed substantially to the depreciation of the dollar, to increasing the cost of living, and finally, to unbalancing the budget."

In discussing 14 Navy contracts involving overcharges to the Navy amounting to \$12,600,000 which the Navy admitted was "a bad job," Senator Sparkman said that it would take the Federal income tax payments of 22,344 taxpayers in the most numerous \$5,000 to \$8,000 income bracket "to equal this \$12,600,000 contract waste."

Miss Ella Lee Morris, 75, of Elba, died Sunday, August 9, at Gibson hospital, Enterprise.

She is survived by six sisters, Miss Mae and Lillian Morris, Mrs. L. E. Hornsby, Mrs. Marvin Weatherford of Elba; Mrs. Herman Baker of New Brockton; Mrs. J. W. Calhoun of Mobile; several nieces and nephews.

Funeral services were held Monday from White Water Baptist Church with the Rev. Edwin Harwell and Murray L. Seay officiating. Burial was in the church cemetery.

ANNUAL 7 SHAPE SING
The annual Seven Shape Singing will be held at Woodland Grove Baptist Church Sunday, August 16, in cooperation with the last session of the Coffee County Singing Association. Dinner will be served at the church at noon. Everyone is invited.

Revival at Shiloh
A revival will start at the Shiloh Baptist Church Sunday, August 16, and continue through Sunday, August 23, with service daily at 7:30 p.m. Rev. Charles Black, pastor, will be in charge.

REPLACEMENTS NEEDED
Mr. Casey still has to find replacements for two vacancies created by resignations and an additional teacher to which the school became entitled on the basis of increased enrollment last year. Two of the new teachers have been assigned to the school.

NUMBER 11

60c Per Pound Cotton—

No, the market price of cotton hasn't jumped to 60c per pound, but that's what Buck Kelly, of Route 4, Elba, received for his first bale this year. For having the first bale of cotton which was not only grown in Coffee county, but ginned in Elba, Kelly, left, was handed a check for \$109.50 by Dr. E. M. Warr, middle, president of the Elba Chamber of Commerce, as a gift from the business men of Elba. Jesse Morrow, manager of Goldkist Peanut Growers Club, is at right.

Single Payroll Met In Two-Dollar Bills
Friday To Emphasize Firm Progress

Two-dollar bills will be a trademark of Elba Progress this weekend.

Employees of Basil Whitman Motors and Trailers, Inc., will be paid in two-dollar bills Friday afternoon in a move sponsored by the Chamber of Commerce Projects and Promotions committee, of which, Walter Smith is chairman, to publicize the benefits to the entire community which stem from the payroll of an individual local business.

Since two-dollar bills are a rarity, every time a two-dollar bill turns up in a store, barber shop or other place of business for the next few days it will serve as a reminder of the far-reaching benefits of a payroll as dollars are passed from hand to hand.

A single two-dollar bill spent ten times in a day will account for twenty dollars of business activity and to emphasize this point the Chamber of Commerce will sponsor payment in two-dollar bills of other individual businesses from time to time.

OBITUARIES
JAMES ROY HELMS
James Roy Helms, 53, of Pine Level, died at his home Friday, August 7, apparently self-inflicted. The body was found in the back yard by members of the family. He is survived by the widow, Mrs. Mary Trasher Helms; one son, James F. Helms, one daughter, Mrs. Lamar Wilson, of Elba; one brother, M. B. Helms, of Elba; one sister, Mrs. Ethel Dennis of Elba; his parents, Mr. and Mrs. M. A. Helms.

Funeral services were held at Mount Olive Church Sunday, with the Rev. C. A. Lundy and J. C. Kimmon officiating. Burial was in Cool Springs cemetery.

MISS ELLA LEE MORRIS
Miss Ella Lee Morris, 75, of Elba, died Sunday, August 9, at Gibson hospital, Enterprise.

She is survived by six sisters, Miss Mae and Lillian Morris, Mrs. L. E. Hornsby, Mrs. Marvin Weatherford of Elba; Mrs. Herman Baker of New Brockton; Mrs. J. W. Calhoun of Mobile; several nieces and nephews.

Funeral services were held Monday from White Water Baptist Church with the Rev. Edwin Harwell and Murray L. Seay officiating. Burial was in the church cemetery.

NEW TEACHERS
EMPLOYED FOR
CITY SCHOOLS

There is an increased tempo of activity around the city schools these days as Superintendent Sam J. Casey races against time to fill six vacancies in Elba High and Elba Grammar school faculties and two vacancies in the Elba Colored School faculty.

The three-man Elba High coaching staff will have two new members as Head Coach George Grider plans to start football practice Friday, next week. Coaches have not been named to replace Bill Travis, who resigned to take a teaching job at Leesburg, Fla., and Lou Elston, who will go to Bonny High, Bonifay, Fla.

Resignations
Other teachers who have resigned are: Miss Zelle Fox, who served 17 and a half years on the Elba High faculty; Mrs. Sue Hall, wife of the school director, who was first grade teacher last year, and Mrs. Joyce M. Travis, who will accompany her husband to Leesburg, Miss. Mrs. and Miss Hall will remain in Elba.

Two new teachers have already been employed. They are Mrs. Margaret Beale, who will teach in the elementary school, and Miss Nancy E. Cowart, who graduated last spring from the University of Alabama with a science major and will join the high school faculty as science teacher.

Mr. Casey still has to find replacements for two vacancies created by resignations and an additional teacher to which the school became entitled on the basis of increased enrollment last year. Two of the new teachers have been assigned to the school.

Through The Keyhole

MRS. ROBERT CANNON

THE BARBECUE HOUSE at Gladys Spurlins was the scene of much festivity last week when Gladys and Galt Stephens entertained several friends at a "hen party". This party with no men allowed proved to be highly successful and Katherine Dorsey was proclaimed "chick".

Present were: Gladys Clark, "Miss Auntie" Dorsey, Katherine Dorsey, Ethel Weed, Martha Ham, Grace Ebert, Toisye Rhodes and Frances Cannon. Grace Waters and Elizabeth Miller reluctantly had to decline.

THE OUT - OF - DOORS beckons at this time of year and parties held under the sheltering pines are particularly nice. On a recent Thursday afternoon, Mrs. A. L. Faulk of Sinsion invited all "the clan" over to her summer home at Lake Naomi, Florida, for a get-together honoring Madelyn and Johnny Miller.

While younger children frolicked at the water's edge, there was water skiing, and even a water bike, to tempt the adults. As the skies darkened, shish kebabs were slowly cooked over charcoal flames and everyone became suddenly ravenous.

Attending, besides the Miller and Brunson families, were several couples from Samsion. A LOVELY WAY TO SPEND an afternoon is in Betty Dorsey's spacious family room, lounging in chairs of turquoise leather and drinking coffee from cups of turquoise and white. To the left one catches a glimpse of a magnificent round table in the kitchen painted the same happy color and through the large glass doors one sees youngsters clustering around a picnic table.

At Betty's, to share in this afternoon was Betty Stanford of Pine Apple, who had driven over to bring daughter Susan for a visit to the Dorsey's. Betty was, as always, pretty as a picture and kept us all enthralled with the latest chapters of "Life in Pine Apple".

As we talked of this and that, little George Dorsey played host by passing the napkins and also the sugar bowl.

PARTIES ARE FUN and there wasn't a break in the conversation at the morning party Helen McCoolish gave last week for Gloria Harper, who looked cool as a mountain breeze in blue, frosted with lace. We admired Helen's pretty home and exclaimed over the delicious molasses salad she served and the morning hours slipped by. At the conclusion of this intimate party, Helen gave

Every Ford has SAFETY GLASS in every window

You Be The Judge

THE SPACE ABOVE.

is the size of a Government Post Card, by actual measurement. To mail this card to 1,000 families would cost \$30.00 for the card and postage alone. To print a message on the back would cost, on the average, \$7.50 per thousand. Addressing would cost another \$5.00 per thousand.

That's a total of \$42.50 to send a postcard advertisement to a thousand families.

Yet this space in The Elba Clipper costs a regular advertiser only \$6.30. It reaches almost twice as many families. That advertiser's money helps The Elba Clipper to serve a subscriber at only a fraction of the cost of a subscription if the newspaper had no advertising.

To sum up: The advertisement reaches more people at one-seventh the cost and the advertiser serves every subscriber because he enables The Elba Clipper to supply the news at less cost.

SIX TEACHERS EMPLOYED FOR ELBA SCHOOLS

Teachers to be employed for the Elba schools were confirmed Monday by the Elba City School Board, of which Horton Pick is chairman.

They are as follows:
Dean Akin, social studies and assistant football coach, who comes here from Fayette, Ala., where he served in the same capacity. He holds an A. B. degree from Jacksonville State College, Jacksonville, Ala.

Bill Strickland, social studies and head basketball coach. He held a similar position at Union Springs High School last year. He holds an A. B. degree from Troy State College.

Mrs. Joan King, of Elba, who will teach social studies. She is a graduate of the University of Alabama and taught last year in Enterprise High school.

Mrs. Carolyn Stokes, wife of Attorney Jackson W. Stokes, who will teach in the Elba Elementary school. She holds a B. S. degree from Troy State College.

Two teachers were selected for the Elba Colored schools. Miss Mary Bell of Elba, graduate of Alabama State College, Montgomery, will teach Commercial studies in the Colored High school, and Mrs. Brundage, graduate of the same college, will teach in the elementary school. She taught last year in Brundage, Ala.

ENGINEER FOR COFFEE QUILTS 8-YEAR POST

H. S. Langley has submitted his resignation as County Engineer to the Board of County Commissioners effective August 21, this year. He has held that position eight years.

Mr. Langley is a native of Tallapoosa county and graduated from the School of Engineering, University of Alabama, in 1930. He became County Engineer for Coffee county Sept. 1, 1951, coming here from Madison county, Tenn.

Mr. Langley resigned his position here to take the job of County Engineer of Clay county, Alabama, and will remove to Ashland, the county seat. During his stay in this county he has lived in Enterprise, Mr. and Mrs. Langley have one daughter, Laura, who will continue her studies at the University of Alabama.

710,000 Bale Crop Of Cotton Forecast

A 1959 cotton crop of 710,000 bales is forecast for Alabama based on August 1 conditions according to the Alabama Crop and Livestock Reporting Service.

This compares with the 1958 crop of 439,000 bales and the 1948-57 average production of 644,000 bales. Yield per harvested acre, forecast at 418 pounds is 20 pounds above 1958 and has been exceeded only by the record high yield of 478 pounds harvested in 1955.

Participation in the Average Reserve phase of the Soil Bank program reduced cotton acreage in 1958 to the lowest level of record dating back to 1936. Discontinuing that part of the Soil Bank program in 1959 accounts for the sharp increase in cotton acreage. The 1959 acreage for harvest is estimated at 815,000, compared with only 530,000 acres in 1958. The 1948-57 average cotton acreage harvested in this state is 1,345,000.

INFANT HAYES

Infant daughter of Mr. and Mrs. C. P. Hayes III, of Elba, died Friday, August 14, of a heart ailment, other than the parents, include the grandparents, Mr. and Mrs. James Coleman of Brantley and Mr. and Mrs. C. P. Hayes Jr., of Elba; great-grandparents, Dr. and Mrs. C. F. Hayes Sr., of Elba.

Funeral services were held Friday afternoon at Evergreen cemetery with the Rev. Ralph R. Hendrix officiating.

Opportunities In Agriculture Here Are Emphasized; Cotton Yet Important

By Tom Casaday

Coffee county boys graduating from our high schools last May and those who plan to enter Auburn have several opportunities to get scholarships which will help pay their expenses. Most of the scholarships I am familiar with are given by the various organizations and the school of agriculture at Auburn selects those of the morning will be in registration with regular classes beginning Monday morning, Sept. 7.

Children entering the first grade must present a birth certificate or statement from the Health Department of the county in which the child was born. In order to be eligible for registration, a child must be born on or before Oct. 1, 1953.

The faculty is announced by principal E. C. Nevin is as follows:

High School
P. W. Wood, Vocational Agriculture; Jessie A. Matthews, Vocational Home Economics; James H. Smith, English; Price, Science; R. L. Farris, Math and Science; Ann M. Bruce, Commercial Studies; Gladys Nevin, Social Studies; Creigh Purnell, Social Studies and Coach; Adele Jones, English; Berlie Hawkins, English; Myra G. Johns, Library and Guidance; and Joe Martin, Music and Voice.

Elementary School
Clarence P. Bjorkstone, Eva P. Medlock, Mae Snellgrove, Mary Sue Crawley, Onka B. Archie, Luther Manwaring, Ora B. Kelly, Custodian, W. D. Conn, Lunch Room, Marie R. Anderson, and Lunch Room Workers are Elba Adams, Lois Kendrick, and Mattie Morgan.

A note early this week from Karin and Charles Gibson Jr., letting me know that they have already selected their calves to be fed for the county and district show. With the good crop of corn and hay coming along, this could be a good year to put this corn and hay into feeders calves. We hope to have some 40 boys and girls feeding steers this year. I hope all the boys and girls who are planning in this project will get in touch with me by Sept. 1 that we can make plans for feeding calves.

Even Milking A Cow Has It's Do's And Don'ts

Washington, D. C.—Now here comes the American Dairy Association's long awaited booklet, "In its cheet, with instructions on milking a cow."

The booklet is contained in a printed broadside titled "Mr. Milk's report." The advice is aimed, the association says, at beginners and competitors in milking contests.

The guidelines begin by belaboring the obvious: "The cow does not give the milk. You take it away from her."

"Use both hands. The method which makes you an expert is to squeeze one hand, then the other. Either start on the front spigot, or work the diagonal method. A cow has four spigots located toward the rear and low."

And here's the rest: "Cut your fingernails, nothing unnerves a cow so much as a set of long, sharp nails. She shows her displeasure by—(a) stepping into the milker's; (b) stepping on your foot; (c) clonking you soundly in the neck with her tail; (d) hoisting you, stool, pail, and parts of the barn into the air with her back feet."

"If she stares at you, stare right back. Besides giving good nourishing milk, the next best thing that a cow does is stare at her manager, the hired man, and particularly city folks out on a picnic."

"Work slowly. A cow operates like a toothpaste tube. Give the milk time to get out. First squeeze the index finger, then the third finger, finishing with the little finger. Reverse the process and you are in trouble. The third finger, finishing with the little finger, and is tightly fought contests have been lost because too much milk was directed outside the pail. It is the milk in the pail that counts. Try shooting for distances some time. The world's record is around 30 feet."

WILL ATTEND MEET
Mrs. Will Kendrick, member of the Elba High school faculty, plans to attend a meeting of the Executive Board of the Department of Classroom Teachers at the Jefferson Davis Hotel, Montgomery, Saturday, August 22.

Brantley Gin Has New Equipment
The Brantley Gin Company has recently installed new Moss Lint Cleaners at a cost announced by W. Donald Bailey, manager, of \$16,000.

Mr. Bailey said that on Aug. 15, the grades of cotton produced by the gin is two-thirds middling and one-third strict middling, with an average price per bale of 35.42 per pound with some as high as \$6.98 per pound.

Elba Student Gets 3-Year Scholarship
Kenneth K. Dyess, son of Mr. and Mrs. Kenneth Dyess of Elba, who recently graduated from Troy State College with a B. S. degree, has been awarded a scholarship to Alabama Polytechnic Institute, Auburn.

He received notice from the Department of Health, Education and Welfare, Office of Education, Washington 25, D. C., that he has been awarded a fellowship in mathematics to run for three years.

VICTORIA GIRL DIES OF BURNS IN YARD GRILL

Mrs. Harold E. Perkins, formerly of Victoria, and recently of Crestview, Fla., died Friday, August 14, from burns suffered while working with a barbecue grill in the back yard of her home Wednesday, last week.

Mrs. Perkins was the former Lucille Thomas of Victoria, daughter of Mrs. Mattie Lewis Thomas and the late Eugene Thomas. Her husband was in the U. S. Army stationed at Eglin Field. She was working with a barbecue grill when some lighter fluid, with which she was starting the fire, exploded in her hand resulting in severe burns to her body.

She was flown to the U. S. Army hospital at Eglin Field. She was working with a barbecue grill when some lighter fluid, with which she was starting the fire, exploded in her hand resulting in severe burns to her body.

Mrs. Perkins was a graduate of Elba High School, and was a member of the Elba City School Board. She is survived by her husband and six-year-old son, Steve Perkins; her mother, nine brothers; Woodrow Thomas of Hattiesburg; Roland Thomas of Phenix City; Ralph Tubal and Shirley Thomas of Eufaula; Mike and Grady Thomas of Elba; Sam Thomas of Eglin Field, Fla.; and Phourmy Thomas of Hurstboro, two sisters, Mrs. Merle Bragg of Elba and Mrs. Dorothy Kendrick of Sheffield, Ala.

Funeral services were held Sunday from the Victoria Baptist church. Burial was at Victoria.

Two From Elba Go To FHA Workshop

One Elba High school student and one teacher attended the three-day workshop for state and district officers of the Future Homemakers of America at Alabama College, Montevallo, Wednesday, Thursday and Friday.

They were Miss Jeanette Paul, state parliamentarian, and her faculty advisor, Mrs. Sybil Taylor, who heard Miss Paul, Stoval, state FHA adviser with the state department of education, and Mrs. Mary Stoval, Elba High school, assistant supervisor of home economics education at Alabama College and adviser to the North Alabama district of FHA.

The workshop was attended by 240 student leaders and demonstrators and other helpful information for our 4-H club members. We are trying to make a very attractive book this year, one that club members in the county will be proud of. These books will be given to each club member in the Sept. organizational meeting.

We plan to elect officers about the last week in September in all of our clubs. We are looking forward to having the best 4-H club program ever in Coffee county, with all of us working together, we can have a club program which is second to none. Let's all join hands and give our rural boys and girls the backing they need.

Chiropractor Opens Office In Elba
Dr. William E. Yoham, Chiropractor, opened his office in Elba today in the building formerly occupied by Dr. L. M. Johnson.

Dr. Yoham is a recent graduate of the Logan Basic College of Chiropractic, St. Louis, Mo., which he attended for four scholastic years then interned for two years in the Logan College Outpatient Clinic.

He is also a graduate of X-Ray Technician Course at Logan College and is affiliated with the International Basic Technicians Research Institute, St. Louis.

He served two years in the U. S. Army at the Yokohama Army Hospital, Yokohama, Japan. He is married.

Elba Student Gets 3-Year Scholarship

Kenneth K. Dyess, son of Mr. and Mrs. Kenneth Dyess of Elba, who recently graduated from Troy State College with a B. S. degree, has been awarded a scholarship to Alabama Polytechnic Institute, Auburn.

He received notice from the Department of Health, Education and Welfare, Office of Education, Washington 25, D. C., that he has been awarded a fellowship in mathematics to run for three years.

Sailor From Elba Completes Cruise
Robert C. Moore, machinist's mate first class, USN, son of Mrs. Robert H. Moore, of Route 6, Elba, and husband of the former Miss Margaret Lowery of San Pedro, Calif., returned to Long Beach, Calif., August 14, after a six-month tour of duty with the U. S. Seventh Fleet in the Western Pacific.

During the cruise, ports of call included Hawaii, Japan, the Philippine Islands and Hong Kong.

Local Sales And Income Improve

Coffee county sales at retail showed a 2.5 per cent hike from April to May, this year and a 23.0 percent rise from May last year, to May this year.

The Bureau of Business Research at the University in releasing this noted that Alabama retail sales reached a new peak in May, rising four percent above the record level set in January and April of this year.

One significant factor, according to the Bureau, in the large volume of sales is the resurgence of automotive equipment and accessory sales after more than a year of unusually low sales.

**SAVINGS HERE
TOP AVERAGES
AT NEW HIGH**
Savings have climbed to a high level in Coffee county. On the basis of money in the bank, one of the important indicators of economic strength, local residents have advanced to new heights in the last two years.

The story is told in a biennial report just released by the Federal Reserve System. It gives bank deposit data for every county in the United States.

At the beginning of this fiscal year, it shows, money on deposit in Coffee county's savings and commercial banks reached \$1,487,000. This consisted of time deposits (savings accounts) and demand deposits (checking accounts) of individuals, partnerships and corporations, and commercial banks.

The savings total, amounting to \$2,735,000 represents an increase of 61.1 percent over the \$1,697,000 reported for the same time last year. The Federal Reserve bank, when the previous survey was made.

More Stable
Even lower income groups, because they are becoming dominated more and more by the elderly and retired, with their lifetime incomes, are growing more stable and independently financially, it is pointed out.

In the \$7,000 to \$10,000 bracket in Coffee county, the average savings are 2.3 percent of the households, and 26.0 percent of the total income.

The 27.7 percent of the households in the over \$4,000 groups receive 32.6 percent of the local earnings.

BILL BANE
Bill Bane, 86, of Elba, died in a Troy hospital Friday, August 14. He is survived by the widow, Mrs. Lizzie Bane; three daughters, Mrs. Sally Robinson of Andalusia, Mrs. Lela Wells and Mrs. Lottie Senn, both of Brantley; four sons, Dee Bane of Pine Level, Willie Bane of Elba, K. C. Bane of Brantley and Effie Bane of Plant City, Fla.; two brothers, Jimmie Bane of Samson and Aleck Bane of DeFuniak Springs, Fla.; 24 grandchildren and 10 great-grandchildren.

Funeral services were held Saturday from the Pine Level Baptist Church with the Rev. Gordon Marsden and the Rev. Don Kidd officiating. Burial was in the church cemetery.

URGES INOCULATIONS
City Council directed the police department Monday to turn its efforts to enforcing the state law and city ordinance to require inoculations of all dogs over six months old.

I believe that every right implies a responsibility; every opportunity, an obligation; every possession, a duty.

—John D. Rockefeller, Jr.

OPPORTUNITIES FOR YOUTH ARE URGED IN TALK

The importance of creating opportunities for the community's youth was emphasized to the Elba Chamber of Commerce at a membership meeting Tuesday by Michael F. Bannion, professor of West Chester, Pa., State College who has taught psychology during the past summer at Troy State College, Troy, Ala.

Mr. Bannion said that only 20 percent of high school graduates in the South attend college, a ratio slightly lower than for the nation as a whole, and asked: "Have you created a sufficient challenge to them to work in your community?"

Mr. Bannion described Jesus as the Greatest Teacher because he set before all the ideal of perfection and inspired all to seek it, he had confidence in mankind and the lessons he taught, he had faith in man-kind, he did not try to change society from without by threats, but, instead, inspired others to change themselves, he was a master at instilling confidence in others, his statements were majestic in their simplicity, his lessons were timely and his earnings were more evenly distributed.

Dr. E. M. Ward, president, reported to the membership that Miss Margaret Rhodes has agreed to act as office secretary for the Chamber of Commerce at no salary and the membership extended to her a vote of thanks.

Flournoy Whitman, member of the Board of County Commissioners, reported on efforts to get a shorter travel route between Elba and Port Rucker, and Lamar Rainer Jr., reported on efforts to obtain a new bridge in Elba.

July Rains Here Total 4 1/2 Inches

July rainfall totaled only four and a half inches in Elba, compared with 18 inches in the same month, last year.

Rainfall during July was scattered throughout the area with some places receiving even less than Elba while others had more.

Corn suffered a major setback due to the dry weather while cotton and peanuts continue in good condition.

8 WAYS TO GET MORE MILEAGE FROM GASOLINE

Your car can be made to yield more miles per gallon of gasoline. According to the editors of Changing Times magazine, here are eight ways to get more mileage from your car.

1. On an annual basis, the difference in gasoline cost between the highest and the lowest mileages recorded in this year's Mobilgas Economy Run for example, would be around \$80.

The first step, the editors say, lies in the choice of an economical car. That means selecting the lightest car that is spacious enough for transportation needs; an engine of modest displacement; the lowest rear-axle ratio available; the most economical transmission.

Once a car with built-in economy features has been selected, the keys to gasoline savings are maintenance and driving habits. Briefly the editors set out these rules:

1. Engine tune-up. Tune it every 5 to 10 thousand miles.

2. Check brake adjustment to see that wheels turn freely with no binding or dragging.

3. Watch front tires for signs of faulty alignment.

4. Keep tires inflated at least to recommended pressures.

5. Avoid abrupt starts. Most gas is consumed in moving the car from a standstill.

6. Shift to top gear as soon as possible.

7. Keep a distant speed.

8. Idle sparingly. An idling engine wastes about a penny's worth of gas every four minutes.
